Tel: 0030 607 1700

Dear Parents,

CAIE have provided the school with an update on the fees they will be charging for the IGCSE May-June 2020 series of exams which have been cancelled.

There will be a 10% discount on their fees.

This means that parents that have already paid the IGCSE exam fees will receive a 10% discount on the amount paid in the form of a credit note. This can then be used against such expenses as school fees.

Parents that have not already paid the IGCSE exam fees should now proceed to do so as instructed in previous correspondence (you can find [here](#)), with the only difference being that they should pay 90€/subject and not 100€/subject. You will receive an email from the Business Office informing you of the new balance.

Thank you for your patience in this matter.

George Psaromatis
Exams Officer
