23<sup>rd</sup> March

Dear Year 9 Parents,

Due to the extended closure of all schools in Greece, Campion will not be able to administer the Checkpoint exams scheduled for Tuesday 7<sup>th</sup> and Wednesday 8<sup>th</sup> April. Cambridge International gives schools a test window for carrying out the Checkpoint exams which ends on Monday 27<sup>th</sup> April.

Consequently, all Year 9 Checkpoint exam entries will be withdrawn. Mr Calafatis, the Bursar, has advised that families who have paid the exam fee will receive a credit from the school. The Checkpoint exam fee of €125 paid by each pupil will be used as credit against the pupil's school fees.

I am sure that the pupils benefitted educationally from the revision that they put into their Checkpoint mock exams and please rest assured that the withdrawal from the Checkpoint exams in no way impacts on their future applications to universities.

Kind Regards,

Mr Psaromatis  
Exams Officer

Mr Henderson  
Head of Seniors
