10th April 2020

Dear Parents and Staff,

An announcement was made earlier today by the Greek government concerning an extension of school closures until after the Easter holidays.

All schools will now remain closed until at least 10th May 2020. We hope at that time to have further news from the government regarding when school will be allowed to reopen. Lessons will continue online as per my previous emails.

In the meantime, I appreciate your understanding in these unique circumstances and extend my best wishes for a happy Easter holiday.

Kind regards,

M Henderson
Head of Seniors
